**WHEREAS, NOW THEREFORE, THE BOARD OF DIRECTORS OF THE CHINLE CHAPTER OF THE COLORADO CACTUS AND SUCCULENT SOCIETY FINDS, that:**

2. Substantial distance, time and communication factors have proven to be major impediments to successfully maintaining an efficient and effective statewide organization.
3. An independent, stand-alone, Chinle Cactus And Succulent Society will be better able to focus its efforts on responding to member needs as well as promoting knowledge, enjoyment, cultivation, and conservation of cacti and other succulent plants among its members, other individuals and organizations throughout west-central Colorado.

**NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CHINLE CHAPTER OF THE COLORADO CACTUS AND SUCCULENT SOCIETY, that:**
